Detailed information on the assignment of performance levels can be found in the 'PBMAS 2010 Manual' at http://www.tea.state.tx.us/index2.aspx?id=3843&menu_id=2147483683. For performance levels assigned through required improvement and special analysis (other than NA SA and NA PJSA), both current and previous years' district rates are presented. The 2008 numerators and denominators for all PBMAS student assessment participation indicators are presented with updated data for that year. For TAKS indicators with performance levels assigned through required improvement, the 2009 recalculated district rates, numerators and denominators with TAKS (Accommodated) results phased in are presented in parentheses. State rates are presented for 'Report Only' indicators.
